5:30- 8:00pm

At Milepost 111 in Cashmere

# LIVING WITH WILDFIRES A SCIENTIST SPEAKER SERIES

[www.wenatcheeriverinstitute.org](http://www.wenatcheeriverinstitute.org)

# Workshops & Field Courses

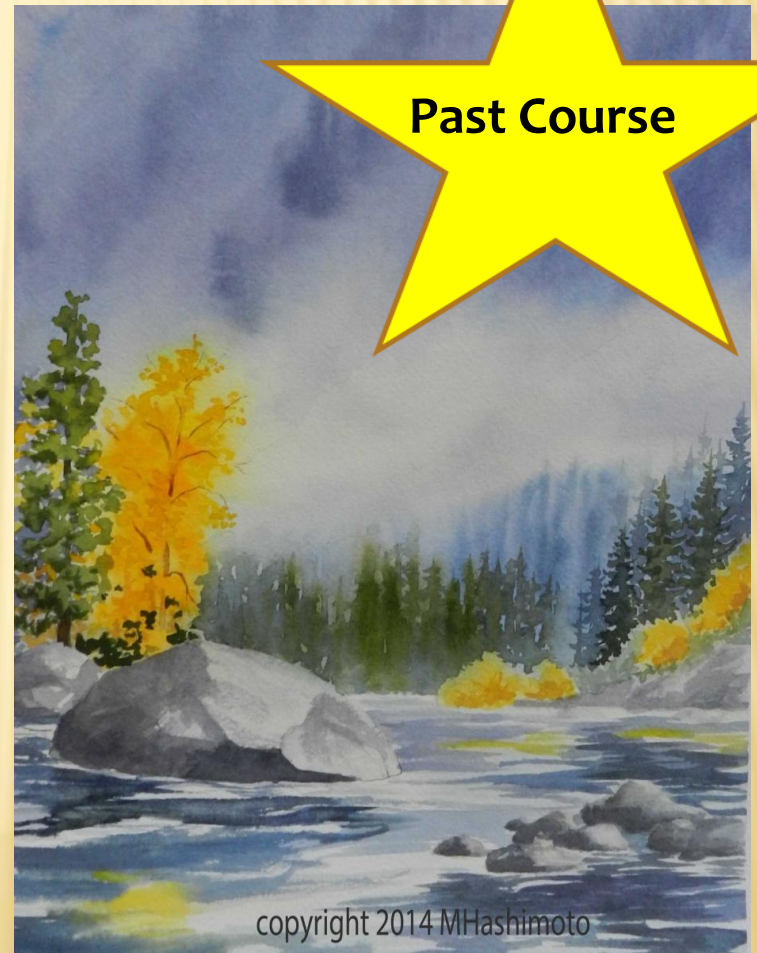

*Adults Learn By Playing Too!*

**Come play outside with us. Track winter wildlife on snowshoes, explore channeled scablands with an expert geologist, journey deep off-trail to capture the elusive traces of wild carnivores, count butterflies, and more!**

# WORKSHOP – LEAVENWORTH LANDSCAPE WATERCOLOR

Join watercolor artist and printmaker Molly Hashimoto for this plein-air based watercolor class. We'll alternate skill-building in the classroom with on-location painting on the Wenatchee River and in the Icicle River watershed with high views of ridges and peaks.

# WORKSHOP - GLACIAL GEOLOGY OF BOUNDARY BUTTE AND THE ICICLE RIVER VALLEY

Glaciers advance and retreat, leaving geologic evidence of their change over time. The Icicle Glacier left evidence of multiple advances in the Leavenworth, WA region that can be observed from sites on Boundary Butte and in Icicle Canyon. Join Geologist Kelsay Stanton for a day in the field as we explore these features and the glacial history inferred from geologic evidence.

**Past Course**

# E. Lorene Young Community Garden

An affordable garden space where people of the Leavenworth community can grow food, learn about nutrition and gardening, and develop relationships with other community members.

**Wenatchee River**  
I N S T I T U T E

The image shows a Facebook profile page for the Wenatchee River Institute. The background is a scenic landscape of a river flowing through a forested valley with mountains in the distance. In the top right corner, the organization's logo features a stylized fish or seal swimming, with the text "Wenatchee River INSTITUTE" below it. On the left side, there is a profile picture placeholder with the same logo and text. The main header area contains the text "Wenatchee River Institute at Barn Beach Reserve" and "Educational Organization". Below this, there are buttons for "Liked", "Following", "Message", and a menu icon. At the bottom, there are navigation tabs for "Timeline", "About", "Photos", "Reviews", and "More".

# **VOLUNTEER OPPORTUNITIES AT WENATCHEE RIVER INSTITUTE**

*There are millions of ways to help out!!!*

## **1. Education and Interpretation**

- a. Assist with educational programming for school children
- b. Teach or assist with adult classes (such as Wenatchee Naturalist)
- c. Lead tours and field trips
- d. Assist in Citizen Science projects

## **3. Land Stewardship and Habitat Restoration**

- a. Construct and maintain trails
- b. Remove noxious and invasive weeds (blackberry vines, knapweed, etc.)
- f. Plant native trees and plants

## **4. Other Programs**

- a. Leavenworth Spring Bird Fest – field trip leaders, Bird Fest Central assistance
- b. LIFE2 Earth Day Community Fair – planning, setting up, cleaning up
- e. Wenatchee River Salmon Festival – staff booth

## **6. Organizational Support**

- a. Introduce us to potential donors
- d. Help with organization and management of special events
- e. Help put out mailings (stuffing envelopes, labeling, etc.)
- f. Join a Committee or WRI Board – help develop the future of WRI

**If you are interested in any of the above, please call (509) 548-0181 or write us at [info@wenatcheeriverinstitute.org](mailto:info@wenatcheeriverinstitute.org) or PO Box 2073, Leavenworth, WA 98826.**
